

# Standard Plug Compatibility

Europlug Standard  
2,5A 2P (250V)

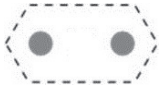

China Standard  
10A 2P+E (250V)

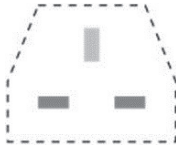

Argentinean / Australian Standard  
10A 2P+E (250V)

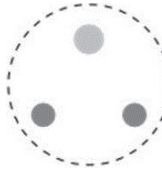

USA Standard  
15A 2P+E (127V)

Italian Standard  
10A 2P (250V)

British Standard  
13A 2P+E (250V)

Indian Standard  
6A 2P+E (250V)

Denmark Standard  
10A 2P (250V)

**Attention:** the German & French plug 2P+E can not be plug-in in this multistandard socket because it does not create earth continuity.
