## **Product Information Sheet**

COMMISSION DELEGATED REGULATION (EU) 2019/2015 with regard to energy labelling of light sources

## Supplier's name or trade mark: PHILIPS

Supplier's address: Customer Care Philips, I.B.R.S./C.C.R.I. /Numéro 10461, 5600VB Eindhoven, NL

## Model identifier: 9290030437

## Type of light source:

| Lighting technology used:     | LED  | Non-directional or directional: | DLS                        |
|-------------------------------|------|---------------------------------|----------------------------|
| Light source cap-type         | G53  |                                 |                            |
| (or other electric interface) |      |                                 |                            |
| Mains or non-mains:           | NMLS | Connected light source (CLS):   | No                         |
| Colour-tuneable light source: | No   | Envelope:                       | -                          |
| High luminance light source:  | No   |                                 |                            |
| Anti-glare shield:            | Yes  | Dimmable:                       | Only with specific dimmers |

| Product parameters  |                                 |                             |   |              |  |  |
|---|---------------------------------|-----------------------------|---|--------------|--|--|
| Parameter   |                                 | Value                       | Parameter   | Value        |  |  |
| General product parameters:   |                                 |                             |   |              |  |  |
| Energy consum<br>mode (kWh/100<br>up to the nearest   | 0 h), rounded                   | 11                          | Energy efficiency<br>class  | G            |  |  |
| Useful luminous<br>indicating if it re-<br>in a sphere (360<br>cone (120º) or in<br>(90º)             | fers to the flux 0°), in a wide | 620 in Narrow<br>cone (90°) | Correlated colour<br>temperature,<br>rounded to the<br>nearest 100 K,<br>or the range of<br>correlated colour<br>temperatures,<br>rounded to the<br>nearest 100 K, that<br>can be set | 3 000        |  |  |
| On-mode po<br>expressed in W  | ower (P <sub>on</sub> ),        | 10,8                        | Standby power (P <sub>sb</sub> ),<br>expressed in W<br>and rounded to the<br>second decimal   | 0,00         |  |  |
| Networked standby power (P <sub>net</sub> ) for CLS, expressed in W and rounded to the second decimal |                                 | -                           | Colour rendering<br>index, rounded to<br>the nearest integer,<br>or the range of CRI-<br>values that can be<br>set  | 95           |  |  |
| Outer   | Height                          | 61                          | Spectral power  | See image    |  |  |
| dimensions  | Width                           | 111                         | distribution in the   | in last page |  |  |

| without                   | Depth                    | 111         | range 250 nm to 800   |       |
|---------------------------|--------------------------|-------------|---|-------|
| separate<br>control gear, |                          |             | nm, at full-load  |       |
| lighting                  |                          |             |   |       |
| control parts             |                          |             |   |       |
| and non-<br>lighting      |                          |             |   |       |
| control parts,            |                          |             |   |       |
| if any<br>(millimetre)    |                          |             |   |       |
| Claim of equival          | ent power <sup>(a)</sup> | Yes         | If yes, equivalent power (W)  | 50    |
|                           |                          |             | Chromaticity  | 0,434 |
|                           |                          |             | coordinates (x and y)   | 0,403 |
| Parameters for            | directional light s      | sources:    |   |       |
| Peak luminous i           | ntensity (cd)            | 1 200       | Beam angle in<br>degrees, or the<br>range of beam<br>angles that can be | 40    |
| Daramators for            | LED and OLED lig         | ht courcos: | set   |       |
|                           |                          |             | <b>.</b>  |       |
| R9 colour rende           | ring index value         | 50          | Survival factor   | 0,90  |
| the lumen main            | tenance factor           | 0,96        |   |       |
| (a), not applicable       | •                        |             |   |       |
