

Ledinaire panel EcoSet

EcoSet BLE Wall Switch

Ledinaire wall switch EcoSet, wireless, battery powered

The Philips Ledinaire panel EcoSet (RC075) introduces a unique plug-and-play wireless solution. This LED lighting panel offers an easy way to unlock more energy savings and enables simple automated lighting in offices or schools. Our latest innovation enables our LED lighting panels to work with an external AC-powered PIR sensor to detect motion and daylight. These additional external lighting sensors trigger automated dimming of the luminaire. Setup is simple with the remote, so your lights are ready in no time. Use predefined dim levels or configure them easily via integrated dialswitches. An optional wall switch is available as an accessory for manual control—just in case you need it!

Product data

General Information		Material	
Value ladder	Value	Material	Polycarbonate
Operating and Electrical		Ingress protection code	IP40 [Wire-protected]
Input Voltage	- V	Mech. impact protection code	IK04 [0.5 J standard plus]
Line Frequency	- Hz	Accessory color	White
Protection class IEC	-	Net Weight (Piece)	0.080 kg
Mechanical and Housing		Approval and Application	
Overall length	88 mm	CE mark	Yes
Overall width	86 mm	EU RoHS compliant	Yes
Overall height	14.5 mm	Product Data	
Dimensions (Height x Width x Depth)	15 x 86 x 88 mm	Order product name	EcoSet BLE Wall Switch
		Full product name	EcoSet BLE Wall Switch

Ledinaire panel EcoSet

Full product code	872016973290299
Order code	911401562843
Material Nr. (12NC)	911401562843
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	8720169732902

Numerator - Packs per outer box	10
