# STATEMENT

---

**Subject: RoHS declaration, Softstarters**

To whom it may concern,

On 3 January 2013, EU-directive 2011/65/EU (RoHS II) on the restriction of the use of certain hazardous substances in electrical and electronic equipment replaced directive 2002/95/EC (RoHS).

On 31 March 2015, 2015/863/EU amended Annex II to Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

Softstarters of models and related accessories listed in appendix were not in the scope of 2002/95/EC and are classified as Category 11 products in 2011/65/EU. Provisions from this directive starts to apply 22 July 2019.

Nevertheless, according to our best knowledge, the Softstarters and related accessories manufactured by ABB AB, Control Products, comply with the materials and substances restrictions in directive 2011/65/EU (RoHS II) and its amendment 2015/863/EU.

Västerås, 23 August 2018
