

Bremas type: **TYPE42B**

| Materials | |
|---------------------------------------|---|
| Housing | PA6 + GF flame retarded V2 |
| Base | PA6 + GF flame retarded V2 |
| Technical data | |
| Module with diode and red led | |
| Protection against polarity inversion | |
| Plus signalling through led | |
| Weight | 2,8g. |
| Conformity | RoHS compliant (Directive 2011/65/EU) |
| Electrical data: | |
| Voltage | 24/60 V DC |
| Component | diode 1A/1000V – led – resistor 12KW 1W |
| Polarized | yes (A2- A1+) |
