

# Ledinaire panel EcoSet

## EXT2010 OCC DL PIR AC Sensor RS WH ESW

Ledinaire office sensor EcoSet, wireless, motion, daylight, AC powered

The Philips Ledinaire panel EcoSet (RC075) introduces a unique plug-and-play wireless solution. This LED lighting panel offers an easy way to unlock more energy savings and enables simple automated lighting in offices or schools. Our latest innovation enables our LED lighting panels to work with an external AC-powered PIR sensor to detect motion and daylight. These additional external lighting sensors trigger automated dimming of the luminaire. Setup is simple with the remote, so your lights are ready in no time. Use predefined dim levels or configure them easily via integrated dialswitches. An optional wall switch is available as an accessory for manual control—just in case you need it!

### Product data

General Information	
Value ladder	Value

  

Operating and Electrical	
Input Voltage	220/240 V
Line Frequency	0/50/60 Hz
Protection class IEC	Safety class II

  

Mechanical and Housing	
Overall height	48 mm
Overall diameter	94 mm
Material	Polycarbonate

  

Ingress protection code	IP20 [Finger-protected]
Mech. impact protection code	IK02 [0.2 J standard]
Accessory color	White
Net Weight (Piece)	0.130 kg

  

Approval and Application	
CE mark	Yes
EU RoHS compliant	Yes

  

Product Data	
Order product name	EXT2010 OCC DL PIR AC Sensor RS WH ESW
Full product name	EXT2010 OCC DL PIR AC Sensor RS WH ESW

## Ledinaire panel EcoSet

Full product code	872016973416699
Order code	911401562943
Material Nr. (12NC)	911401562943
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	8720169734166

Numerator - Packs per outer box	10
EAN/UPC - Case	8720169734173
