

## CorePro LEDtube 1200mm HO 18W 840 T8

Philips CorePro LEDtubes are the quick and easy way to replace T8 fluorescent or other LED tubes with a fast pack back time. Not only does the Core range of LEDtubes require a low initial investment, but LED energy efficiency also delivers instant savings that you can bank on over a long and reliable lifetime. Plus, with the same lamp size and light distribution as fluorescent alternatives, you'll never know the difference. There are two ways to install these LED tubes: Rewire your existing fluorescent-based luminaires so the CorePro LEDtubes work directly on the Mains. Or simply change the fluorescent starter to an LED starter that can be used with your Electromagnetic ballasts.

#### Warnings and Safety

- NOTE: The overall energy efficiency and light distribution of any installation that uses these lamps will be determined by the design of the installation.
- Installation must be done according to the installation diagrams provided with the lamp or available online. Installation must be done by a certified professional.

#### **Product data**

| General Information        |                    |  |  |  |
|----------------------------|--------------------|--|--|--|
| Cap-Base                   | G13                |  |  |  |
| Nominal lifetime           | 50,000 hour(s)     |  |  |  |
| Switching Cycle            | 200,000            |  |  |  |
| Lighting Technology        | LED                |  |  |  |
| Flux measurement reference | Sphere             |  |  |  |
|                            |                    |  |  |  |
| Light Technical            |                    |  |  |  |
| Color Code                 | 840 [CCT of 4000K] |  |  |  |
