

# Coreline tempo medium

### BVP125 LED80-4S/740 PSU OFA52 ALU C1KC3

Coreline tempo medium, Floodlight, 57 W, 8000 lm, 4000 K, CRI70, Asymmetrical, IP66

Coreline tempo medium delivers on the Coreline promise of innovative, easy to use and high quality floodlighting. A limited range of options makes it easy to find the best lux-for-lux replacement for conventional technologies and direct replacement of 100W and 150W HID lamps . The CoreLine tempo medium offers lumen packages for many different application areas as well as a choice of high-performance asymmetrical and symmetrical optics. Installing the LED flood lighting is made easy thanks to the U-shaped universal mounting bracket and the external quick 3-poles connector. It is an ideal floodlighting solution for outdoor environments such as industrial/commercial areas, parking lots, etc.

#### **Product data**

| General Information      |   |
|--------------------------|---|
| Lamp family code         | LED80-4S [LED module, system flux 8000        |
|                          | lm]   |
| Light source replaceable | No  |
| Number of gear units     | 1 unit  |
| Driver included          | Yes   |
| Light source engine type | LED   |
| Service tag              | Yes   |
| Lighting Technology      | LED   |
| Value ladder             | Performance                                   |
| Serviceability class     | Class C, luminaire without serviceable parts, |
|                          | not serviceable                               |

| Warranty period                    | 5 years           |
|------------------------------------|-------------------|
| Sustainability rating              | -                 |
|                                    |                   |
| Light Technical                    |                   |
| Upward light output ratio          | 0                 |
| Luminous Flux                      | 8,000 lm          |
| Correlated Color Temperature (Nom) | 4000 K            |
| Luminous Efficacy (rated) (Nom)    | 144 lm/W          |
| Color rendering index (CRI)        | 70                |
| Light source color                 | 740 neutral white |
| Luminaire light beam spread        | 9° - 41° x 102°   |
| Optic type outdoor                 | Asymmetrical      |
